

Your tasks. Where we employ you.

BAUSCHUTZ works on Germany's best-known civil engineering structures. That is exciting and makes us proud.

We are a leader in the fields of concrete repair and corrosion protection. Join our team! We will train you. We treat each other well. We make our way together.

■ **Tell us where you want to work. We make it possible.**

We are currently reinforcing our teams with industrial employees (f/m/d) at the following locations: Bobenheim-Roxheim (Rhein-Main/Rhein-Neckar region), Hamburg (North), Malsch (Karlsruhe region), Asperg (Baden-Württemberg), Völklingen (Saarland), Rednitzhembach and Allershausen (Bavaria).

■ **Your work areas:**

- Concrete repair
- Corrosion protection
- Façade repair
- Floor coating
- Flat roof sealing

Your qualifications. Your manual skills.

We are interested in your skills and aptitudes. Then we train you at one of our locations.

Because: We have the basis for your career development.

■ **Your background:**

- Painter, mason, plasterer (f/m/d)
- Lathe operator, baker, salesperson, shopkeeper (f/m/d) with manual skills
- Marine fitter (f/m/d)
- Concrete repair specialist (f/m/d)

■ **You are reliable and do good and proper work.**

■ **You have a driving license.**

Apply. E-mail. Phone.

Make a coffee date now!

You don't have a cover letter or current CV at hand. At BAUSCHUTZ, we don't make a fuss. If you want to work for us, you can phone the location of your choice directly:

- **Tell us what you have done so far, for instance over a cup of coffee.**
- **What career path you want to take.**
- **Where in Germany you want to work.**

We do everything possible to make sure our employees (f/m/d) are happy and satisfied.
